

SLATION THREATENS TO STOP PEACE FREE WORK WITH TROOPS

Governor Did Not Know Legislature in 1910 Authorized Cutting Part of Lawn to Widen "Bottle-Neck"

HOPS RIGHT ON OFFICIALS IN CHARGE OF WIDENING

Executive Satisfied When Resolution Is Shown Him—Will Give Official Approval and Let Work Proceed, It Is Said

The threat of Governor Slaton to call out the state militia if the city of Atlanta persisted in cutting into the lawn of the governor's mansion on Peachtree street in the work of widening the bottle neck there, temporarily stopped work at that point Tuesday morning and resulted in a conference between the governor, City Attorney James L. Mayson, Attorney General T. S. Feltner and Nym Hurt, in charge of the construction work.

Under the records had been searched and a 1910 legislative resolution authorizing the city to cut out of the mansion lawn found, was the governor satisfied.

The plans for widening Peachtree, which include cutting off part of the mansion lawn, will have to be submitted to the governor for his approval before the work can be continued. He is expected to sanction the plan Tuesday afternoon.

Although for two days the men at work widening Peachtree have been working under the shadow of the threat of the governor's veto, the work has proceeded without interruption.

He called upon City Attorney Mayson's office Tuesday morning and Attorney General Feltner, who had been called out by the state militia and who had been called out by the state militia and who had been called out by the state militia.

RESOLUTION IS FOUND. The governor's veto on the city construction office at the city hall and repeated his message: "You are in charge of the street work," was called over the telephone by the city engineer.

Mr. Mayson, being familiar with legislative matters, at once turned to the private acts of 1910 and found the resolution passed by the Legislature that authorized the city to cut out of the mansion lawn.

He then turned to the city engineer and the legislative resolution was drawn up and sent by hand to the governor, with the blue print of the plan that he might pass on them.

Home Rule Measure Will Become a Law, Says John Redmond

Irish Nationalist Leader Asserts Parliament Will Not Be Dissolved Until Bill Passes

(By Associated Press.) LONDON, March 24.—There certainly will be no dissolution of parliament until the home rule bill for Ireland has been passed.

This statement was made to the Associated Press today by John E. Redmond, leader of the Irish Nationalist party.

Mr. Redmond added that the second reading of the bill would be taken by the house of commons March 30, and that the bill would be proceeded with until it became a law.

Coleman John Seely, secretary of state for war, today promised in the house of commons he would tomorrow lay on the table documents which would clear up the whole mystery of the recent crisis among officers of the army in Ireland. He said the papers were being asked by a member to confirm or deny the statement that a written assurance had been given Brigadier General Herbert Gosset that troops would not be used to force home rule on Ulster.

SOLDIERS CALLED OUT TO HANDLE RIOTING STRIKERS

Gould Coupler Works Strike
May Put Town Under Mar-
tial Law

(By Associated Press.)
DEPEW, N. Y., March 24.—Day-
break found Depew an armed camp.
The Fourth regiment of militia ordered
at the request of Sheriff Frederick C.
Becker, whose force of deputies was
unable to handle the rioting strikers at
the Gould Coupler works yesterday,
began to arrive before dawn and by
8 a. m. the plant was under military
protection.
The question of placing the whole
area under martial law was discussed
by the national guard officers at a
conference later in the day.
The special train on the Lackawanna
road, which was held up and wrecked
yesterday, came through from Buffalo
to the plant today under military pro-
tection. Groups of the strikers and
their sympathizers gathered near the
main entrance of the coupler works
when the train arrived. The crowd dis-
persed when ordered to leave but
quickly reassembled at another en-
trance where the soldiers charged the
men with bayonets. One man was
wounded. He was taken away by his
companion.

Hardening like adamant, the beads held invio-
late the sweet odor of the rose. But the
process was slow and tedious; the beads conse-
quently costly; and the art died. This lost art
has been revived. Machinery, working with the
skill of a thousand fingers, now reproduces even
better beads than the Monks made. Miniature
roses no larger than beads are shown in old
blue, purple, green or black. Between each two
rose beads is a gold bead, forming a charming
necklace. Various odors in addition to rose. By
mail, 4c extra.

Mother's Advice

To Her Daughter
A Real Live Doll to Fondle a Woman's
Greatest Happiness.

She is wisdom itself who knows of or
learns of that famous remedy, Mother's
Advice, for the abdominal
muscles and breast.
It has a wonderful
effect on all
fears, banishes all
pain, is a grateful
encouragement to the
expectant mother, and
permits her to go
through the period happy in mind, dis-
tressed as nature intended she should.
The action of Mother's Advice makes the
muscle pliant and responsive to expansion.
Thus all strain and tension upon the
nervous system is avoided, and in place of a
period of discomfort and nervousness there
is a season of calm repose and joyful ex-
pectation.

There is no nausea, no morning sickness,
no nervous twitching, none of that constant
strain known to so many women.
This splendid remedy can be had of any
druggist at \$1.00 a bottle. Write to Brad-
ford Regulator Co., 232 Lamar Bldg., At-
lanta, Ga., for their book to expectant
mothers.

Cured a Severe Backache

I had been a great sufferer with
backache so that I was unable to bend.
A friend recommended Dr. Jones' Liniment
and the first application gave me
relief, one bottle entirely cured me.
A few days ago a lady called who
complained of great pain in her back.
I gave her a little of Dr. Jones' Liniment
and she was relieved immediately
after applying it. We are recommending
it to all our friends. So writes
M. P. Stutman, of Helena, Pa.
Rains in the back are often mistaken
for kidney trouble, and so-called kidney
cures and plasters are resorted to
wholly failing to relieve, only tend to
aggravate the disease and prolong the
suffering. Dr. Jones' Liniment relieves
rheumatism, neuritis, headache,
croup, cold in chest, or any pain or
ache that can be reached by external
application.
Ask your neighbors who Dr. Jones' Liniment
has done for them.

CLIFFORD WALKER GIVEN EDGES OF BIG SUPPORT

Race of Monroe Man for At-
torney General of Geo-
gia Is Booming

(Special Dispatch to The Journal).
MONROE, Ga., March 24.—The
first time since the days of the suc-
cessful race of Henry D. McDaniel for
governor, Monroe is the seat of campaign
headquarters for a state house office, and
the candidate, Clifford Walker, who
pleas to succeed Attorney General
Thomas S. Frazier, is a close relative of
the distinguished former governor.
So many letters of plaudits support
have poured into the Walker campaign
headquarters that it has been necessary
to increase the corps of canvassers.
Between 300 and 400 letters are being
sent out from the headquarters daily.
Mr. Walker plans to begin a personal
canvass soon.

Colonel Walker has always taken a
high stand in affairs of church and
state. He was for two years mayor of
Monroe and recently retired voluntar-
ily from the office of solicitor general of
the Western circuit to return to the law
firm of Walker & Roberts, which enjoys
a large general practice in this section.
His partner, Orrin Roberts, is equally
well known throughout the state.

He has the distinction of attaining the
highest honors of the Old Fellows and
Red Men of Georgia, and is a promi-
nent member of the state executive
committee which meets in Atlanta on
April 4, next.

J. Russell Davis to Be
Next Mayor of Quitman
(Special Dispatch to The Journal).
QUITMAN, Ga., March 24.—Quitman
has probably the most interest-
ing and spectacular municipal cam-
paign that has ever marked the history
of the town.
J. Russell Davis, cashier of the Cit-
izens bank, was nominated mayor. He
has been a city alderman for sixteen
years. He was opposed by Dr. E. L.
Jellie, the present mayor, and by E. C.
McIntosh, Jr., for two years a member
of council. Mr. Davis received only
27 votes more than Mr. McIntosh, and
Dr. Jellie, who ran third, was 57 votes
behind the winner.

The following were elected council-
men: M. A. Brantley, M. H. Boyd, S.
J. Parrelsh, M. M. Haywood, M. H.
Jensen and J. H. Melroy.
Predominating all other issues, how-
ever, was the fight to eliminate the
cow from the streets. It has ever been
an issue in local politics and for the
past two years the cow advocates were
in power and the cows roamed the
beautiful streets and fed on expensive
lawns at will. In the ballot today the
cow lost out by a vote of nearly two
to one.

Though there was intense excitement
and interest was at white heat all day,
the primary passed with no disorder of
any kind.
House to House Campaign
Discouraged in Pulaski
(Special Dispatch to The Journal).
PULASKI, Ga., March 24.—The
primary of April 15, about twenty candidates
have announced for the various
offices. This is Pulaski's time to elect
the state senator. Formerly
Vance Peacock, W. D. Humphries and
Gus Fountain are the candidates.
The county executive committee dis-
counted a house-to-house campaign, so
the contest is being fought out on the
streets of Jacksonville. One farmer
has put up a sign on a street corner
to his place which reads: "I have bought
all the ground I need, and I'm going to
vote for whom I please."

Representatives' Race
In Floyd Warming Up
(Special Dispatch to The Journal).
ROME, Ga., March 24.—The date for
Floyd county's primary has not been
determined yet. Saturday, Friday,
May 8, for holding the Cobb county pri-
mary. Politics here have quite lively in
the county for the past few months
and the setting of an early primary
will cause increased activities.
A number of candidates have already
announced for the various offices, as
follows:
For treasurer, Monte Shaw, the present
incumbent; E. M. Dyer, J. Lloyd
Hood, H. L. Bofford, J. Sam Gartin, for
clerk of the superior court, James E.
Dobbe, with D. H. Collins for deputy
clerk, A. H. Talley with R. L. Bannan for
his deputy, Virgil McCleskey, the pres-
ent clerk, has announced that he will
with his deputy, B. H. Carrie, will not enter
the race for re-election.
W. H. Swanson, the present sheriff,
with R. L. Hicks deputy sheriff, have
no opposition for re-election.
George S. Owen and T. H. LeCroy,
tax collector and tax collector, respec-
tively, as yet have no opposition.
Colonel Joe Abbott has been promi-
nently mentioned as a possible candi-
date for the legislature. No announce-
ment has as yet been made for the sen-
ate from Cobb county, which county is
entitled to a senator next year.

Tom E. Anderson Announces
For Banks Representative
BALDWIN, Ga., March 24.—Tom E.
Anderson this week made his formal
announcement for representative from
Banks county. He has served one term
in the house of representatives.
Moss Bill Condemned
By Cobb Grand Jury
(Special Dispatch to The Journal).
COWART, Ga., March 24.—The Cobb
county grand jury, which adjourned Sat-
urday, condemned the Moss bill now
pending in the legislature to abolish
Cobb county's present commissioner sys-
tem of public roads, and heartily im-
ported the present system and its ex-
cellent work.
The mechanized pile road from Ac-
worth at the Bartow county line

company who is charged with having
taken between \$5,000 and \$6,000 from
his employers, was put on trial Tues-
day morning in Judge John H. Hill's
court, the indictment being for larceny
after trust.
Mr. Bacon on the stand recounted
the facts of the case, saying that Wil-
son was found short of the amount
named when the company's books were
audited on September 6, 1913. He
stated that Wilson admitted taking the
money, but said that he would pay it
back, but following the failure to re-
cover the money, the warrant for Wil-

nary hearing and was bound over to at-
tend bond to the higher court on the

Christmas day, but was located in Sa-
vannah and brought back to At-
lanta Saturday night by Detective

PRIZES FOR CHILDREN
IN CLEAN-UP CRUSADE

Pledges to Be Distributed
 Among All Schools in the City

In order to arouse the greatest interest possible in "clean up" day, the Atlanta chamber of commerce announced that it will award, through the City Federation of Women's clubs \$100 in prizes to the school children. Blank pledges will be distributed by the clubs among the different schools and the school returning the largest number of pledges proportionate to enrollment will be declared the winner.

There are to be three prizes of \$25, \$15 and \$10, each for both the white and colored schools.

The federation is advised of this action on the part of the chamber on Tuesday morning when President Mollie H. Wilkinson communicated with Mrs. Samuel Larkin, the head of the organization. The chamber of commerce is greatly encouraged with the enthusiasm manifested thus far and its street committee which is in charge of the work feels that the undertaking will be a successful one.

"The coming of the grand opera season and immediately following the Shriners' convention, makes it imperative that Atlanta don her best garments for the inspection of thousands of visitors," said President Wilkinson. "In view of her rapid growth and the fact that the city is now occupying the attention of the nation, makes it more imperative than ever that favorable and lasting impression be left with the out-of-town patrons of these two mammoth events."

MUSICAL ASSOCIATION SEEKS MORE MEMBERS

Mrs. Slaton Urges Support of
Organization That Maintains
Philharmonic Orchestra

The Atlanta Musical Association, which supports the Atlanta Philharmonic Orchestra, has started a two-week campaign for new members for the purpose of increasing the membership of the association as much as possible before the next concert on March 21.

Several members have already started work and others will join in the movement the latter part of this week and next week.

Mrs. John M. Slaton, president of the association, urges that Atlanta support the orchestra, which she says is a civic asset. Mrs. Slaton says:

Approve of the forthcoming orchestral concert of the Atlanta Musical Association, it is well to realize that why the public at large, not only the small number of lovers of good music should be its support. A symphony orchestra in a city is an educational and cultural factor in the civic life, and therefore worthy the support of all those interested in providing the proper aesthetic conditions for our young people, as well as an inducement to those who demand cultured surroundings to remain in our city. But more than that from a purely business point of view, the possession of a symphony orchestra is an advertising asset that no city can afford to ignore.

Boston is more often spoken of at home and abroad as the home of the Boston Symphony Orchestra, than in any other capacity. Minneapolis is making great strides since the establishment of its orchestra, and Pittsburgh, Chicago and other cities have much of their present only in artistic and cultural circles, but in the business world as well, to their symphony orchestra. If we in Atlanta could point with pride to a good well-supported permanent orchestra, it would be a better advertisement for our city than even our one sporadic week yearly of grand opera. The opera brings temporary visitors; the orchestra would bring permanent settlers, citizens of a better, more cultured type, such as every city is proud to acquire.

Let us, then, rally round our orchestra, let us go to the concerts, let us see what we can of our substance for their support.

CHOIR OF ALL SAINTS' PLANS MUSICAL RECITAL

According to the customs of presenting some unusual attraction at the annual recitals, the large choir of All Saints' church will give a special musical service, with the accompaniment of pipe organ and hand instruments. Sunday afternoon, March 22, at 4 o'clock.

Sir George C. Martin's triumphant "Magnificat" and "St. John's" will be for a festive performance at St. Paul's cathedral, London, England, and his splendid anthem, "Hail, Gladiolus," will show the excellence of the large chorus of fifty voices, and will give the public an opportunity to hear music seldom presented outside the great cathedrals.

MRS. MARTHA B. MAHON DIES IN WASHINGTON

The Atlanta friends of Mrs. J. B. Love will regret to hear of the death of her sister, Mrs. Martha Bicknell Mahon, of Washington, D. C., Thursday, March 19, after an illness of only three days. The body was carried to New Albany, Ind., the old home, for interment.

Mrs. Mahon was the eldest daughter of the late Judge George A. Bicknell, of Indiana. She is survived by one sister, Mrs. E. R. Love, of Atlanta; two brothers, Colonel George A. Bicknell, retired admiral, now of New Albany, and Rev. Jesse R. Bicknell, of Baltimore.

Recovers From Appendicitis

Friends of A. Roberts Cornell, who recently was operated on at Atlanta for appendicitis, will be glad to learn he has fully recovered and has returned to his home in Chicago. While Mr. Cornell stayed at the home of Mrs. J. W. Cherry, 144 Ponce de Leon avenue.

George A. Miller, who planned and installed Atlanta's "White Way" lights, is in the city for a few days, having come to be present at the opening of bids on the city's new automobile fire apparatus.

Mr. Miller will also discuss with the city the feasibility of extending Atlanta's "White Way" lights, and is particularly interested in plans to light the park of the city. He and General Manager Dan Carey have been in consultation over the park lighting question, and Mr. Miller advocated an attractive, but comparatively inexpensive system of lights for the park.

"The city will be surprised to see how quickly, easily and inexpensively this lighting can be done," said Mr. Miller Tuesday.

FINED ON CHARGE OF SELLING BAD MEAT

Charles L. Golden, a butcher whose shop is at 221 Peter street, was fined \$12.50 Tuesday morning by Recorder Broyles for selling tainted meat. The case was made against Golden by Dr. J. P. Kennedy, city health officer. The matter was brought to the health officer's attention by a woman who had purchased tainted meat from Golden. According to the statement in recorder's court, she bought some meat and then discovered that it was bad. The butcher refused to take it, and she carried it to Dr. Kennedy. The physician pronounced it bad, and purchased some more meat from Golden, which was also tainted. A case was then docketed against the butcher.

Knights of Columbus Entertain
Minstrel Man and Several
of His Friends

Neil O'Brien and some of his fellow-minstrels were tendered a banquet by the Atlanta chapter of the Knights of Columbus at the Imperial hotel, after the show Monday night.

Besides Mr. O'Brien and his friends, the guests of honor were several members of the Atlanta baseball club, prominent among them was Manager Billy Smith.

Mr. O'Brien acted as toastmaster and with genial wit and humor had the fun flowing fast from start to finish. Mr. O'Brien is very much of a good fellow on the stage, and he is a prince off-stage at the banquet with testy with enthusiasm.

Manager Smith made a speech telling exactly how Atlanta was going to win the 1914 baseball pennant, and he cheered to the echo.

Al Nixon and Frank Brown, both of them Crocker players, added much to the festivity with several well-rendered songs, as did Mr. O'Brien and several other minstrel guests.

MAN HELD FOR ROBBERY PROMISES A STATEMENT

John C. Reeves Brought Back
to Answer Charge of Rob-
bing Haden Home

John C. Reeves, the young white man who is charged with robbing the home of Mrs. Charles J. Haden, the Atlanta club woman, from which \$1,000 worth of jewelry was stolen last week, was brought back to Atlanta Tuesday by Officer Lon Evans.

Reeves denied the charge to Spartanburg officers, but has declared to the local police that during the day, after he has rested from the trip, he will make a full and free statement. Whether or not that means a confession the public cannot say.

Reeves, it is alleged, was arrested while trying to pawn a pair of opera glasses and a pendant which have been identified as belonging to Mrs. Haden. He explains his presence in Spartanburg at the time of his arrest by saying that he was en route to Greenville to visit his mother.

Reeves bears a recent gunshot wound in his left arm. He says he received the wound accidentally last December while working in a field. None of the Haden jewels except the opera glasses and the pendant have yet been recovered.

The Easter Suit for the Junior Miss

Now is the Time To Make Best Selection

Junior Department---Third Floor

The Junior Department---Third Floor---is a bright, busy spot---because of the Service, the fine service it is rendering mothers and their daughters right now in the gathering of the young women's wardrobe for spring.

The suit is of first importance. Perhaps more will be spent for it than for any one garment, it is the one thing about which daughter is most anxious to have just so.

So let's proceed accordingly, let's take the sure way of having it right.

Let's select it where styles are surest and newest, where there is variety enough to allow the little niceties of choice that make the suit fitting and becoming.

These are the advantages the stocks of the Junior Department allow.

Scores and scores of smart novelties of suits that are, indeed, youthful, that have about them some point---perhaps it's the fashioning of the coat, the lines of the skirt, the treatment of the sleeves, the color, the fabric---that lends itself particularly to the girlish figure.

Prices begin at \$15.00 for a wool suit of serge or an invisible checked novelty weave and go gradually to \$40.00. Navy, Copenhagen, resedas, wistarias, tans, all shades, and many fabrics. We stress no one price, lest we have to stress them all, we gathered remarkable values at every price!

The silks begin at \$25.00 for French blue moire suits with smart cutaway coat and flounced skirt and go through \$27.50, \$29.75, \$35.00, \$37.50, to \$40.00.

Separate Skirts Are Smart for Juniors, Too

The call for separate skirts extends to the minor miss as well as to the grown-ups.

So they are here in most attractive designs. Big green and brown plaids, black and white, checks, navy and white checks, plain blue serges and failles. Usually they are fashioned with peg tops or tiers or tunics, perhaps the one you will like best will have a pocket in it.

Priced at \$5.00 to \$8.50.

Many Smart Coats For The Tot to Six Years Old

The fresh air is safest for the little one when she is properly coated, but these little coats have more than their serviceability to recommend them.

They are chic and attractive, little reefers, little Norfolk, little sashed coats, some of checks, ratines, serges, failles, some of these with circular ruffles that strike a new note. Priced at \$3.50 to \$20.00.

Dependable Hosiery---The New Stocks Are Ready

We would like you to judge our whole store by the quality of the hosiery we sell.

No one branch of merchandise comes in for such scrupulous care in selection as does hosiery. There is not one style in our large stocks that was not selected only after much comparison and elimination. That any style is shown here means that it is the best of its kind that we could find in the markets of the world.

You may order hosiery from us with that fact firmly fixed---you will get fullest money's worth. And now that the Spring and Summer stocks are ready with their new varieties it is a splendid time to buy a supply.

We warrant that by choosing from this stock you will have spent less for hosiery at the end of the season than you would by buying here and there.

Primary Election in Jersey
With Eighteen in Race
for Congress Seat

(By Associated Press.)

PATERSON, N. J., March 24.—A primary election in this, the Seventh New Jersey Congressional district, is in progress today, to determine who shall be the nominee for the seat in the house of representatives made vacant by the death of Robert G. Bremner, of Passaic, a Democrat, who was elected with President Wilson in 1912.

Congressman Bremner died at Baltimore more of cancer after heroic efforts had been made to save his life by the use of radium.

Five Democrats, eleven Republicans and one Progressive and one Socialist are in the race. The election will be held on April 7.

Blind Fanny Crosby,
94, Feels as Young
Now "as When 24"

(By Associated Press.)
BRIDGEPORT, Conn., March 24.—Fanny Crosby, the blind writer, today celebrated her ninety-fourth birthday. To visitors she said her health was excellent and she felt as young "as when twenty-four."

It must be that the cats of the last are sleeping or absent for the mice (get rich-quick financial wizards) are beginning to play with more freedom than they have shown for the last three years.

In a New York theater program the other day I found an astonishing offer of stock in a company which means to build a theater and dance hall. To induce investors to take the \$40,000.

"guaranteed stock" offered, the promoter declared that a similar house he had built was then making a net profit of \$4,780 a week.

To me it seems incredible that he could not borrow money from a dozen sources at lower rates than his guaranteed stock would have to pay if he could not raise the money.

New insurance companies—both for life and fire—are you to buy stock with suggestions of immense profits. A characteristic bait in this paragraph from the prospectus of one:

"Ten original \$100 shares in the United States Life Insurance Company of New York, New York, which has paid dividends for the last 100 years, and is one of the most successful and profitable companies in the world."

Central are now worth \$40,950; the original \$60 shares in the Aetna Life Insurance Co. are now worth \$100,000; the 100 shares in the Metropolitan are now worth \$118,250; ten original \$100 shares in the Prudential are now worth \$248,000."

I suppose you are expected to believe that if you buy ten \$100 shares in the new company you will be able to sell them some day for about \$320,000. Meanwhile, the Federal Reserve Board authorities show that out of a total investment in the stock of 184 new companies of \$75,000,000 in the last eight years, there remains to the credit of

Investors just about \$40,000—\$35,000, he says, have gone in "expenses" of various sorts.

From the former head of a stock selling organization which was put out of business by the government in 1961, about a year and a half ago now comes a wonderful offer to the victims of the old company. He addresses them to the number of 45,000 and asks them to buy bonds (paying half cash and half in the securities put out by the raided corporation) in a Lower California cottage industry concern which ought to earn at least 7 percent a year and to give them 10 percent each year thereafter. Little Miss Underwood's Birthday Party
A delightful occasion of Tuesday afternoon was the birthday party at which little Miss Margaret Underwood was hostess at her home on Ponce de Leon avenue.

The little guests were entertained at an open buffet and to the one who was successful in finding the largest number of eggs a little white rabbit was given as a prize.

The table had as a centerpiece a large white cake edged with jonquils and with these burning up on the top. The little guests received as favors little white rabbits and yellow chicks.

Little Miss Underwood wore a frock of white mill with sash and ribbons of blue.

Assisting in entertaining were the two little cousins of the young hostess, Miss Florence Underwood and Master Newton Underwood.

Those present were: Catherine Harris, Selma Adair, Lillie Pace, Elizabeth Clark, Eleanor Smith, Carolyn Bonney, Elizabeth Garner, George Adair, Fred Pace, William Owens, William Thompson, Richard Smith, Alex. McNeill, Walter Paschall, William King and Watson Clarke.

Avahav Zion Sunday School
The annual picnic concert given Sunday by the children of the Avahav Zion Sunday school at the Oliver street street, was the most successful one in the history of the Sunday school.

Mr. M. Steinbaum, the superintendent, opened the concert, and a very interesting program of music, recitations and declamations was carried out under the direction of Miss Zsa Zsa Jaffe, Miss Ida Ruse and Miss Sara Hirsch.

Afterward came "Queen Esther," a play by the children, and the singing of the Jews in Persia. Seventy-five children were present, and all of them were beautifully groomed. According to the Bible picture, Miss Pearl Ruse played the part of "Queen Esther," Miss Rebecca Dorfman as Queen of Persia, Ida Ruse as Queen of Sheba, Selma Hirsch as Queen of Saba, and Miss Minnie Hirsch and Miss Bertha Zion.

The floor committee was composed of Miss Ruth Lichtenstein, chairman; Miss Selma Adair, Miss Lillie Pace, Miss Elizabeth Clark, Miss Eleanor Smith, Miss Carolyn Bonney, Miss Elizabeth Garner, Miss George Adair, Miss Fred Pace, Miss William Owens, Miss William Thompson, Miss Richard Smith, Miss Alex. McNeill, Miss Walter Paschall, Miss William King and Miss Watson Clarke.

Adair-Williams
A pretty event of Tuesday morning was the wedding of Miss Dora Adair and Mr. William E. Williams, Jr., which took place at the home of the bride's parents, Mr. and Mrs. Charles Julius Adair, on North Jackson street, Rev. Wallace Rogers officiating.

The color scheme of pink and green was effectively carried out with pink roses, palms, ferns, and similar decorations. The wedding march was played by Miss Lois Schenck.

The bride was charming in a traveling suit of sea foam green with hat to match. Her coronation was of bride's roses and hyacinths.

After the ceremony, a buffet breakfast was served.

Only the immediate family and intimate friends were present.

After returning from their wedding trip to Florida Mr. and Mrs. Williams will be at home with the bride's parents on North Jackson street.

Manager Clarke Gets Injunction Against Feds

Pirate Manager Seeks Aid of Courts at Hot Springs to Halt Operations of Howard Camnitz, in Dicker with Pittsburg Players in Training at the Spa

HOT SPRINGS, Ark., March 24.—Howard Camnitz, manager of the Pittsburg National league baseball club, was temporarily enjoined by the circuit court here Monday from "interfering with any meeting, speaking, writing or communicating with" members of the Pittsburg National league team, now in training in this city.

The injunction was asked by the Pittsburg Athletic association, owners of the Pittsburg National league club, and was sought under an Arkansas statute which prohibits interference with persons whose services have been pledged by contract.

No date has been designated for the hearing of the injunction, which is made temporary pending an answer by the defendant.

Neither Camnitz nor the unidentified person designated as "John Doe" made any statement.

The injunction was granted by the circuit court at Hot Springs, Ark., on the basis of affidavits which claim that Camnitz is in the city of Hot Springs, Ark., negotiating with the players of the Pittsburg National league team, who are now in training at the Hot Springs resort, to play for them during the season, in violation of the statute commonly known as the contract law.

Camnitz was formerly a member of the Pittsburg National league club.

Hart Will Stay In So. League

LITTLE ROCK, Ark., March 24.—William Hart, veteran umpire, has declined an offer made him by the National league and will remain with the Southern league. A telegram to that effect was received last night by President Kavanaugh, of the Southern league, from Hart, in Cincinnati.

"Hold my job for me by all means," Hart wired.

At the request of President Tener, several days ago Mr. Kavanaugh consented to the unconditional release of Hart to permit him to continue to negotiate with him. The offer made, however, was unsatisfactory, according to Hart's telegram.

Naps to Protect Star Hurlers

CLEVELAND, O., March 24.—Victor E. B. Barnard, of the Cleveland American league club, said last night that the Cleveland club will give pitchers Fred Blasing and George Kahler the best obtainable legal backing in case the Federal league seeks to enjoin them from playing.

He said that, although action would probably be against the individual players, the club would feel responsible for each case, as the players were induced to return to Cleveland by the Federal league contracts. He made no comment on a report that the American league club had been asked to back up a training camp that Outfielder Joe Jackson is dicker with the Federal league.

St. Louis Browns Trim Jacksonville

JACKSONVILLE, Fla., March 24.—The St. Louis club of the American league defeated Jacksonville here Monday by the score of 4 to 0. The game was the most interesting that has been played on the local diamond this season and a brilliant defensive play by both teams was a feature. A unique feature of the game was a full length left field fence by E. Walker in the second inning, and a full length right field fence by E. Walker in the third inning, and a full length right field fence by E. Walker in the third inning.

Billikens Beat Auburn

AUBURN, Ala., March 24.—The Montgomery Southern league team Montmorency defeated Auburn college team in the first game of the season. The college team, the professionals, but their pitchers were unsteady.

Crackers Find Medicos Easy

Billy Smith's Crew Had No Trouble in Beating Collegians—Score Stood 13-2

Swatting the ball whenever they felt like it, Billy Smith's Crackers very easily defeated the Atlanta Medical college nine Monday afternoon by the score of 13 to 2.

Every member of the Crackers clan had his batting eye primed and they knocked the ball to all four corners of the lot. The Medicos, on the other hand, did not seem able to hit the Crackers' pitchers and only garnered two hits off them during the bout. Only one of the medical hits went for more than one base and that one came in the eighth inning when Blackman hit the ball for two bases and scored Winkle.

Lawrence started pitching for the Crackers and pitched jam-up ball for five innings, when he relieved by Jack Doehrer. With the exception of the eighth inning, Doehrer had the Medicos coming out of his hand. Hank Reynolds caught the entire game and latched on to three fifty cents during the game. The batting of Hank Reynolds was also good.

Golden started off twirling for the Medicos, being relieved by Blackman in the sixth inning.

There was no spectacular fielding except the case when Ambrose McCann backed into the outfield and nailed a short fly and threw to Schwind, completing a fast double play.

In the sixth inning Ambrose hit a vicious liner toward the pitcher's box which Golden missed and George Winkler, seeing it in time, caught on his shin.

Score by innings: R. H. E. Atlanta Med. Col..... 000 000 020 2 Atlanta..... 131 28 201

Batteries: A. C. Golden, Blackman and Park and Kinkade; Atlanta, Lawrence, Doehrer and Reynolds. Umpire Winters.

Memphis Fans Still in Doubt About Turtles

In Exhibition Games Played to Date Finn's Team Has Failed to Show Much—Shaulley, at Short, and Lane, in Outfield, Look Satisfactory

MEMPHIS, Tenn., March 24.—The first four Turtles games are over and the prediction made some weeks ago that Mike Finn would not be able to finish one, two with his present outfit seems to have been strengthened. The Turtles won two out of three with St. Paul and dropped two straight to the Cubs. In these five games the infield with the exception of Shaulley at short showed no unusual strength. The outfield, Love excepted, seemed particularly weak, and the catchers and pitchers are uncertain quantities. Schiel, the former Giant; Bemis, the former Atlantic, have shown well in these games. But handling green pitchers early in the year and batting against green pitchers with sore arms is no task. Present indications are that Bemis will stick and that Schiel and Reynolds will fight it out for the other berth.

Liehardt, Merritt and Harrell, of last year's pitching staff, will have to try their hands in at least three of the newcomers. Howie Merritt, Irving Smith and Elmer Steele, the ex-Dodgers, all have shown excellent form. It is in the pitching department that Memphis appears strongest.

Dunkel, on first, has not shown anything above ordinary. Mullen, at second, seems to satisfy. Shanley, after been tried, but none of them appears

Sunday School Leaguers Meet

At a meeting held Monday night the Sunday School league effected organization for the coming season, which will be its sixth. Twelve clubs have asked for membership in the league, and two divisions will be formed, composed of six teams each. Following is a list of the leagues: First Baptist, Central Presbyterian, Kirkwood, Baptist, Jackson Hill Baptist, Jones Avenue and College Park Methodist.

A schedule for both sections of the league has been prepared, calling for fifteen games for each team. At the close of the season the champion of the two sections will meet for a series to determine the champion of the entire league. The following officers were chosen: Philip F. Shaw, Central Congregational, president; Jenkins, Holy Innocents, vice president; Thomas C. Smith, Capitol View, secretary-treasurer.

Tinker to Get Tom Seaton

CHICAGO, March 24.—Four players, including Cal Cole, outfielder, will be added to the Brooklyn Federal league club as part of the deal by which Tom Seaton, former Philadelphia National pitcher, is transferred to the Chicago Federals.

This news was obtained in dispatches today from Shoreport, La., the training camp of Manager Tinker's team. One of the four whom Chicago will give is a young pitcher, according to Tinker, Cole was to play right field for Chicago. In his place Tinker purposes to put Ed Zwilling.

CHANCE'S YANKS WIN FROM GULLS

MOBILE, Ala., March 24.—With all regulars in the line-up, the New York Yankees defeated the Mobile Southern league team Monday by the score of 5 to 2. Keating and Cole pitched for New York, the former striking out eleven men and five innings. Walsh and Gilmore hit home runs.

Score: R. H. E. New York..... 5 2 1 Mobile..... 2 2 2

Batteries: Keating, Cole and Reynolds; Walsh, Gilmore and Brown.

Jimmy Collins May Join the Federals

BOSTON, March 24.—Jimmy Collins, a star third baseman for many years and manager of the world champion Boston Americans of 1912, is expected to join the Federal league Sunday to confer with the owners of the Federal league franchise in Baltimore, Md., and to discuss the possibility of his becoming manager.

Langford Won

NEW YORK, March 24.—Sam Langford, of the Federal league team of Memphis, Tenn., in the first round of what was to have been a ten-round bout here last night, was knocked out by a right over the ear near the end of the round and took the count of ten.
